

# Attention FDA

0397 '00 MAY -4 AM 11:11

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

I don't have to have an eye exam before buying reading, etc glasses at Wal Mart, Walgreens, or other, why a test for hearing?  
If forced to do so, yes They should pay —

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

I paid them the nose at Sears (Minneapolis) for Aids and they were lousy — Now I have more economical Aids that work fine

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

NO !! They should not take away my Constitutional Right —

4. Should I be allowed to purchase hearing aids by mail as I choose?

Absolutely !!!
